

Applications formally called in or follow up submissions made valid during the week commencing 24th September 2018

SDNP/18/03404/FUL

Proposed Agricultural Grain Store, Agricultural Building and Associated Infrastructure (Inclusive of Hardstand, Attenuation Pond and Landscaping)

At

Land to The East of Bramdean Farm, Petersfield Road, Bramdean, Alresford, Hampshire, SO24 0LR

Validation Date: 21 September 2018

Date of Direction: 3 July 2018

Reason for the Direction

The proposed development would involve the introduction of two large agricultural buildings and associated infrastructure and activity into an undeveloped site in a sensitive location. The site is located in the open countryside in a prominent location adjacent to the A272 and a public footpath. The site is within close proximity to protected trees and in close proximity to potential archaeological remains (possible barrows west of Woodcote Manor Cottages).

Given the scale of the development and the sensitive nature of the site, the proposal has the potential to have a significant impact on the natural beauty, wildlife and cultural heritage of the South Downs National Park, and as such the first purpose of designation.
