Mapping community climate action groups

Creating an interactive map of climate & environment groups in and around the Park

If you have groups in your area, let me know!

Knowledge Hub – Resources for climate groups

The screenshot displays the Knowledge Hub interface. At the top left is the 'Knowledgehub' logo. The navigation menu includes 'Home', 'Groups' (which is underlined), 'People', and 'Networks'. A search bar is located to the right of the navigation menu. On the far right of the top bar are icons for notifications, email, and a user profile. On the left side, there is a sidebar with the following items: 'Your groups feed', 'Discover groups', 'Your groups', 'Help', and 'Request a group'. The main content area features a large banner for the 'South Downs Climate Action Network' with the text 'SOUTH DOWNS CLIMATE ACTION NETWORK' in green. Below the banner, the group name 'South Downs Climate Action Network' is displayed, followed by the text 'Restricted group | Started - April 2024 | Last activity - This month | 14 members'. At the bottom of the main content area is a light green navigation bar with buttons for 'Home', 'Discussion', 'Library', 'Events', 'Members', 'Search', 'News', and 'Admin'. On the left side of the main content area, there is a 'Recently visited' section with a button for 'South Downs Climate Action Network'.

Group information

Group facilitator: [Sara Osman](#), [Luke Walter](#)

A restricted group for people in the South Downs National Park and surrounding areas, who are working on, or wanting to start, community projects tackling climate change. The aim of this group is to share information, ideas and knowledge and inspire action in local communities.

Welcome to the South Downs Climate Action Network! Please read.
02 Sep 2024 - 13:15

Welcome to the South Downs Climate Action group on Knowledge Hub.

This group is a space to share information and knowledge for Climate Action and Environment groups across the South Downs (and beyond).

By joining this group you agree to be kind and courteous; respect people's privacy; no promotions or spam; and to input useful discussion and information. Anyone considered to be disrespectful or rude will be removed from the group.

How to use the Knowledge Hub group:

- Getting started: Read our "Getting Started" guide in the Discussion page and introduce yourself in the "Say Hello" folder in the Discussion page.
- Asking questions or adding finding case studies: the discussion and library

Easy to use site

Can also share events, newsletters etc.

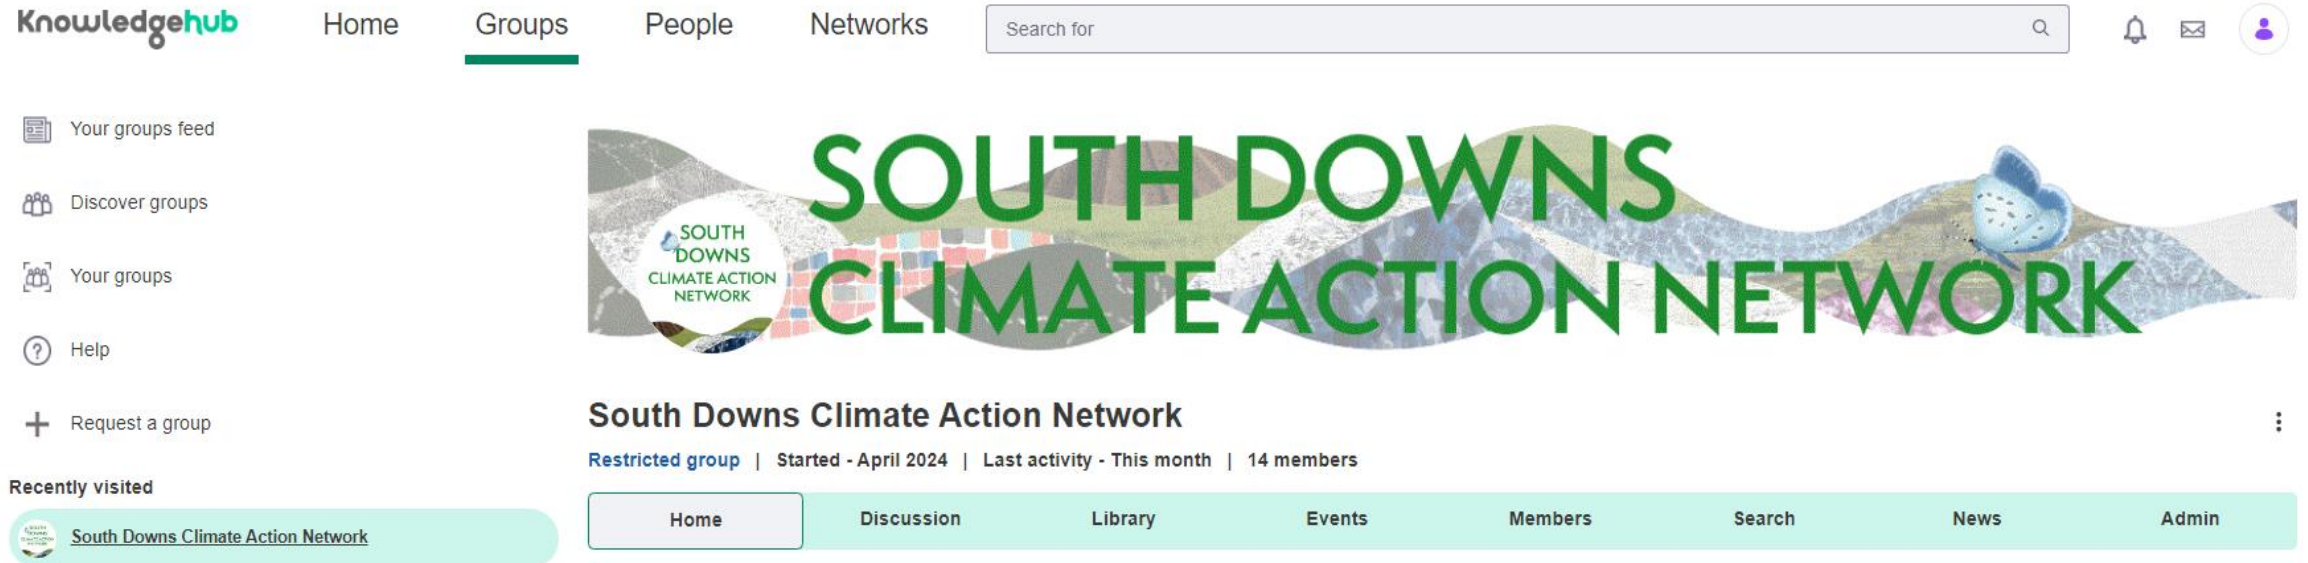

Easy search function

A place to ...

- Share knowledge and expertise
- Connect with other groups
- Help and inspire others
- Be inspired!

For communities to share, connect and support

The screenshot shows the Knowledgehub interface. At the top, there are navigation tabs for Home, Groups (which is underlined), People, and Networks. A search bar is located to the right of these tabs. Below the navigation, there is a sidebar on the left with options: 'Your groups feed', 'Discover groups', 'Your groups', 'Help', and 'Request a group'. The main content area features a large banner for the 'SOUTH DOWNS CLIMATE ACTION NETWORK' with a colorful, abstract landscape background. Below the banner, the group name 'South Downs Climate Action Network' is displayed, along with its status as a 'Restricted group', start date 'April 2024', last activity 'This month', and '14 members'. A horizontal menu below the group name includes links for 'Home', 'Discussion', 'Library', 'Events', 'Members', 'Search', 'News', and 'Admin'. A 'Recently visited' section at the bottom left shows the 'South Downs Climate Action Network' as the most recent visit.
